**Description:** "How hungry I have, let's see if I can find something to eat, I have no force or to keep walking and looking for food". This was what was thinking Vladic when someone found him.

There he changed his luck, Vladic, with four months of life, was alone on the Street, abandoned, why we don't know very well, he is very good and loving, he loves acaricies it and he purrs non-stop.

Since that day, he lives in a house of refuge, he is delighted and very happy, he was very bad but now already feels secure and loved, and above all, feels safe.
